

After 10 years, RECS International renewed its corporate identity.

Consider it a start for another 10-year period in which we want to further strengthen the voluntary market. A voluntary market that in the end will drive new renewable power based on consumer choice.

On behalf of RECS International I would like to thank you all for your contributions to the association.

I wish you a Merry Christmas and a Happy New Year.

Kind regards,

Claes Hedenström
President RECS International
